Chapter 1: Introduction

1.1 What is an Empowerment Scholarship Account?

An Empowerment Scholarship Account (ESA) is an account administered by the Arizona Department of Education (ADE) and funded by state tax dollars to provide options for the education of qualified students in this state.

An ESA consists of 90% to 100% of the funds that would have otherwise been allocated to the district or charter school for the qualified student (does not include federal or local funding). The ESA is granted to the Account Holder of the qualified student to provide an education that must include at least the following subjects: reading, grammar, mathematics, social studies and science.

By opting out of the public school system and accepting an ESA, applicants can seek a range of alternative educational services such as private schools, home-based education, tutoring, and educational therapies (*for students with disabilities only*) using state funds. Funded by the state, tailored by the applicant, and individualized for the student—the ESA program provides a unique opportunity to prepare Arizona students to succeed in school and life.

1.2 Accepting an Empowerment Scholarship Account

By accepting an ESA, the applicant of the qualified student(s), agrees to abide by an annually signed contract that states the terms and conditions. The Department reserves the right to revoke ESA funding for those found in violation of the contract. Terms and conditions include:

- Student cannot be enrolled in a public school (including charters and public online schools)
- Applicant releases the public school system from educating the student and providing services. School districts are released from their obligation and, unless stipulated in statute, may decline enrollment and assistance as long as the qualified student is under an ESA contract
- Student cannot receive any tax-credit or School Tuition Organization (STO) scholarship concurrently in the same year as receiving ESA funds
- Applicant shall submit quarterly expense reports, completed by given deadlines
- Applicant shall spend a portion of the ESA funds annually to provide an education for the qualified student.

Note: *Not all terms are listed above; please refer to your ESA contract for all terms and conditions.*

1.3 Handbook Purpose

The purpose of the ESA handbook is to establish and supply official instruction concerning policies, procedures, and implementation of the ESA program.

1.3.1 Handbook Updates and Renewal

Per A.R.S § 15-2403(H): “The Department may adopt rules and policies necessary for the administration of empowerment scholarship accounts.”

The ESA handbook is developed by the Department under the guidance of our Policy Team and the Attorney General’s office. Policies and procedures can and will be updated in response to newly-enacted legislation, court decisions, and/or suggestions for best practices. Policies are subject to change any time during the contract year in which the Department will notify applicants of change(s) and effective dates. Prior to changes being made, the Department will post potential changes on the ESA website for a 60 day period to collect public comments and wherever possible take comments into consideration before adopting changes to policies and procedures.

The most up-to-date handbook is available electronically on the ESA website www.azed.gov/esa.

1.4 How to Stay Updated

It is strongly encouraged to stay informed by monitoring the [ESA Website \(www.azed.gov/esa\)](http://www.azed.gov/esa) and thoroughly reading all correspondence sent by the Department regarding the ESA Program.

Program staff is available during business hours of 8:00 AM to 5:00PM AZ time by calling the ESA hotline at (602) 364-1969 or by emailing esa@azed.gov.

All program correspondence will be sent to the mailing address and/or the email address on file. As such, it is imperative that Account Holders ensure their [contact information](#) is up to date at all times. Should you need to update your information, do not hesitate to contact ESA staff via phone to discuss with a Program Specialist. To update banking information for your Bank of America Account, you will have to contact Bank of America directly at 1-866-213-8564. ESA staff is not authorized to update any bank related information on behalf of an applicant.

The Department offers a variety of resources for our ESA families:

- Monthly Newsletter
- ESA Training and Informational Meetings (scheduled as needed)
- ESA Website: www.azed.gov/esa

1.5 Address Verification

Per Arizona Revised Statute 15-2401(5) and (7): both Parent (Account Holder) and qualified student must be a resident of the State of Arizona. Thus, the Department may request residency verification in writing at any time during the contract period.

In general, students will fall into one of two groups: (1) those whose parent or legal guardian is able to provide documentation bearing his or her name and address; and (2) those whose parent/legal guardian cannot document his or her own residence because of extenuating circumstances including, but not limited to, that the family's household is multi-generational. Different documentation is required for each circumstance.

Parent(s) or legal guardian(s) that maintains his or her own residence: The Account Holder must provide **one** of the following documents, which bear the Account Holder's full name and residential address or physical description of the property where the student resides (no P.O. Boxes):

- Valid Arizona driver's license, Arizona identification card
- Valid Arizona motor vehicle registration
- Valid United States passport
- Property deed
- Mortgage documents
- Property tax bill
- Rental agreement or lease (including Section 8 agreement)
- Utility bill (water, electric, gas, cable, phone)
- Bank or credit card statement
- W-2 wage statement
- Payroll stub
- Certificate of tribal enrollment or other identification issued by a recognized Indian tribe
- Other documentation from a state, tribal, or federal agency (Social Security Administration, Veterans' Administration, Arizona Department of Economic Security, etc.)

The Department will accept proof of residency in the same manner as its issued guidance for school districts.

1.6 Secure Information

The Department has the obligation, under the Family Educational Rights and Privacy Act (FERPA), to ensure all information is kept confidential and secure. The Department will never release personally identifiable information regarding the qualified student, including financial information or personal details (including contract information). This includes, but is not limited

to, third-parties, private schools, service providers, and vendors unless written consent is provided by the Account Holder.

For the protection of your privacy, the Department encourages ESA Account Holders to use caution when providing their personal information to third parties. This includes, but is not limited to, social security numbers, dates of birth, ESA Bank of America account information, or ESA application information such as ESA Application IDs or ESA logins and account passwords. To further protect yourself against the possibility of fraud, it is also recommended that you not release the custody of your ESA Debit Card or the card number to a third party.

Applicants are also encouraged to enroll for a Bank of America Online Banking account at: www.bankofamerica.com/onlinebanking/online-banking.go. Setting up an account gives cardholders the ability to track their purchases and is a good way to ensure fraud is not occurring on your account.

Chapter 2: Approved Spending and Program Requirements

A.R.S § 15-2402(B)(4) lists the expenses that are explicitly permissible using ESA Funds.

2.1.5 Consumable Materials

Experiments or curriculum may call for items classified as consumable educational supplies. A general rule regarding consumable materials:

- **Single Use vs. Repurposing:**
 - Single Use is any item(s) that can be used up and/or discarded. (Example: magazines, pens, pencils, salt, sugar, batteries, light bulbs, construction paper, pencils, color pencils, markers, etc.). These items **are not** approved.

- Repurposing is any item(s) that can be used indefinitely or be given another form of usage. (Example: litmus paper, pipets, microscope, lens for microscope, protractor, etc). These items may be approved if the curriculum states it is required.

2.1.6 530 Coverdell Education Savings Accounts

As of August 9 2017, 530 Coverdell Education Savings Accounts are no longer an allowable expense with ESA funds. Transferring ESA funds into a federal 530 Coverdell in the qualified student's name will make the funds taxable income. Before proceeding, applicants should be aware that this may affect other state-assistance programs, such as DDD and AHCCCS. Please contact a financial advisor or financial institution for questions regarding 530 Coverdell accounts. ESA Staff does not have the appropriate licensing and training to assist with questions regarding these accounts.

Chapter 3: Disallowed Spending

The following expenses are specifically disallowed by law A.R.S § 15-2402(6):

Disallowed Spending Categories	Description
Consumable Educational Supplies	Paper, pencils, pens, markers, erasers, folders, backpacks, batteries, light bulbs, salt, sugar, etc.
Computer Hardware & other Technological Devices	Laptops, iPads, desktops, iPods, keyboards, mouse, USB drives, calculators, etc.
Transportation	Reimbursement for gasoline, buses, taxis, ride share, or transportation provided by the school, etc.

3.1 Disallowed Expenses (Misspending)

Any expenses within a disallowed category, pursuant to the ESA agreement and Arizona statute A.R.S § 15-2402(B)(6), will result in an account suspension and request for repayment. Account Holders have 10 business days to contact the Department to either submit repayment, or provide documentation showing error. The account remains suspended until repayment is satisfied and ESA funding will not be disbursed until the full amount is paid back. Acceptable forms of repayment include: Money Order, Cashier's Check and Personal Check.

The Department sends a termination letter to the account holder if the applicant fails to initiate contact within 10 days of the date printed on the suspension letter. The account holder has 30 days to appeal, as further explained in Section 8.1. On the 31st Day, if the account has not been remedied; the account will be terminated and the Account Holder will be ineligible to reapply.

3.2 Disallowed Fees

ESA funds cannot be used for:

- Late Payment fees as result of delayed funding when an expense report is submitted late
- Childcare fees
 - This includes fees accrued by dropping a child off early, or picking a child up late, at school
- Transportation fees (ESA does not approve any transportation cost)
- Supply fees, including consumable items/materials
- Fees from missing appointments or showing up late
- Lunch fees

3.3 List of Non-Approved Therapies

The following therapies are not approved for ESA students:

Not Approved Therapies and Services	
Massage Therapy	Psychiatrists
Nutritionists	Chiropractors
Eye Exams	Craniosacral Therapy
Acupuncture	Physical Exams

3.4 Medical Insurance and Co-Pays

Therapies provided to students must be “Educational Therapies” under A.R.S. § 15-2402(B)(4)(c). Under current Department policy, co-pays, co-insurances, deductibles, or any forms of medical insurance cannot be used in combination with ESA funds. If medical insurance is used in conjunction with ESA, the account shall be suspended and funds must be repaid.

3.5 Half-Day Kindergarten Tuition

Account Holders cannot enroll a student for full-day Kindergarten at a public school that charges tuition for the second half of the day. In this situation, the school receives funds from both ESA and ADE, which is a violation of the contract.

3.6 Uniforms

Uniforms are an allowed expense but must be purchased through or from a qualified school; purchases made through an outside vendor, such as Walmart or Target, are not approved.

Chapter 4: Recap on Spending

A.R.S. § 15-2403(H) states “The department may adopt policies and procedures necessary for the administration of empowerment scholarship accounts.”

With so many options available for account holders to choose from, the Department cannot produce a list of all approved and non-approved expenses. This handbook provides examples of common usage of ESA funds; this is not a comprehensive list of allowable expenses and is to serve as a guideline to account holders.

Chapter 5: Debit Card and Funding

Once accepted to the ESA program, funds awarded to students are entrusted to account holders in the form of a pre-paid bank card. The card lists both the student and the account holder but can only be used to educate the student.

5.1 ESA Prepaid Bank Card

The ESA prepaid bank card is sent to the mailing address provided on the ESA application.

The ESA bank card will arrive in a white envelope from Bank of America (please do not discard). If the card is accidentally thrown away, contact the bank for a replacement card at the following phone number: 1-866-213-8564. Note that Program Specialists cannot request a new replacement card or change contact information with the bank.

Follow the instructions on the back of the card to activate it. There is not a pin number associated with the bank card. The card does not permit cash withdrawals, cash advances, or the issuing of cashier checks.

Online banking is recommend for tracking spending and accessing bank statements and account information. For account balances, call the toll-free number located on the back the card; information about ESA cards cannot be obtained by walking into the bank.

Attempting cash withdrawals may be grounds for removal from the program.

5.2 Merchant Category Codes (MCC)

The Department, along with the Arizona State Treasurer’s Office, is entrusted with ensuring that public tax dollars are spent in accordance with A.R.S. § 15-2401 - 2404.

A Merchant Category Code (MCC) is a four-digit number assigned to a business by credit card companies or banks when a business is set up to accept credit cards as a form of payment. The MCC is used to classify the business by the type of goods and services it provides.

Vendors and private schools may change their MCC codes without notice, which may cause an interruption in service. If an allowable purchase is denied, contact an ESA Program Specialist.

5.3 Allowable Forms of Payment

ESA does not allow an applicant to withdraw cash, request a cash advance, or obtain cashier's checks with the ESA prepaid bank card. Services paid for with an ESA card must be direct to the vendor. Purchases must be made using the ESA Bank Card, as out-of-pocket expenses will not be reimbursed.

Forms of Payment	Description
Point of sale	Card swipe / in-person payment
PayPal	Online payment service for paying tutors and aides; some providers may need to be verified before receiving funds and may incur PayPal fees. If you have issues with PayPal, please contact: <ul style="list-style-type: none">Contact PayPal Customer Support at 1-888-221-1161
Phone/Internet/Mail	Purchasing materials by either entering card numbers online, on a paper mailing form, or verbally communicating them over the phone
Square Method	Payment made through a smart phone or tablet. An applicant is able to sign on the spot and have a receipt emailed to them from the Provider.

5.4 Funding Dates

Applicants that submit approved expense reports on time (refer to [Section 6.2](#)) receive funding on the following dates:

Funding Dates	
July 15-30	March 15-30
October 15-30	April 15-30
January 15-30	May 15-30
February 15-30	June 15-30

It is recommended to inform private schools of anticipated funding dates.

Chapter 6: Expense Reports

Applicants are responsible for submitting itemized expense reports each quarter, as stipulated in the ESA contract that is signed and returned by the applicant. The submission of expense reports every quarter is crucial in maintaining eligibility in the ESA program. This allows ESA staff to account for the educational spending of state funds to the taxpayers.

ESA funds may only be used on specific allowable expenses as discussed in the previous chapter, which are authorized by statute. The Department is authorized to audit all expenditures and request further information, if needed, from any ESA cardholder.

To comply with legal requirements, ESA cardholders submit expense reports and documentation quarterly for verification prior to disbursement of the next quarter's funding.

6.1 ESA Expense Report Submission

During the 2016-2017 school year, the Department launched the online ESA Expense Reporting System. This system has been designed to provide an easier and more efficient Expense Report submission experience.

To use the online system, applicants will need to create their own personalized ESA Portal account to submit and track Expense Reports. Only one account is required for applicants with multiple students. Once you have created your account you will also have the ability to monitor the status of your expense report(s) and track past and future reports. Additionally, in-progress expense reports can be saved for later additions, editing, or submission. **To begin using the system, create a self-registration to access your ESA expense portal at <https://esa.azed.gov/ESA/Account>:**

- Your username will be your email address and a temporary password will be sent to the email account on file. The email will reference ADEConnect; ADEConnect is the platform hosting the portal.
 - If the email does not arrive within a few hours, check your Spam or Junk folder. We recommend adding esa@azed.gov and ims-notification@azed.gov to your email contacts to avoid emails being delivered into the Spam or Junk folders.
- Upon receiving your password, you can log into the portal at <https://home.azed.gov/Portal/>.
- The portal works best when using either Internet Explorer or Chrome web browsers. At this time, please do not use tablets or phones, as it will not display correctly.

The Department has developed training to ensure applicants are successful when using the online expense reporting system. All training materials for the ESA Expense Report System can be located on our website at www.azed.gov/esa/training/. To help you get started with the creation of your account, be sure to access the quick reference guide on Registering for the Applicant Portal. Additional training materials are also available to provide assistance with the creation and submission of your Expense Report(s).

6.2 Expense Report Due Dates

Funding disbursements (listed in [Section 5.4](#)) are dependent upon whether or not expense reports are submitted by the deadline. Deadlines are 10 days before the end of the quarter.

Reports submitted late are subject to delayed payment. Failure to submit an expense report within 90 days of the deadline may result in termination from the program.

Quarter	Dates	Expense Report Due Date
1	July 1-September 30	September 20
2	October 1-December 30	December 20
3	January 1-March 31	March 20
4	April 1- June 30	June 20

6.3 Expense Report Required Documents

When submitting an expense report, paid invoices and receipts are required. The electronic expense report system will allow these documents to be uploaded. It is important that all fees and materials purchased during the quarter are itemized; this may require requesting an itemized invoice.

Credentials are submitted with the expense report for students receiving tutoring or teaching services and for students with disabilities receiving educational therapies ([Section 2.1](#)). If additional information is required, applicants will receive an email specifying what additional documentation is necessary.

Unused ESA funds continue to roll-over on a quarterly basis. Therefore, applicants are not required to spend all of their quarterly disbursement at one time. However, applicants are required to spend a portion of the ESA award each contract year.

6.4 Failure to Submit Timely Expense Reports

Failure to submit Quarterly Expense Reports by the deadlines provided above may result in termination from the program. The ESA Account will be suspended within 10 days of the missed deadline and the Account Holder will receive a suspension letter. The Account Holder has 10 business days to contact the Department to either submit the missing Expense Report, or provide necessary documentation. The account remains suspended and ESA funding will not be disbursed until the Expense Report is submitted.

The Department sends a termination letter to the account holder if the applicant fails to initiate contact within 10 days of the date printed on the suspension letter. The account holder has 30 days to appeal, as further explained in Section 8.1. On the 31st Day, if the account has not been remedied; the account will be terminated and the Account Holder will be ineligible to reapply.

Chapter 7: Contract Renewal

Applicants choosing to remain on the ESA program are required to sign a new contract each fiscal year and **do not need to reapply**. These contract packets are emailed and/or mailed by the Department and must be returned by the applicant with all required documents. Required documents include: ESA Annual Contract and the Handbook Attestation Form. The exception to this is for account holders who have a Student transitioning from Preschool to Kindergarten who have an MET/IEP/Evaluation Report that has a service code of PS-D (preschool severe delay). In this case, a current MET/IEP/Evaluation Report is also required to continue to receive additional funds related to a service code.

If an ESA renewal contract is not received by the deadline of June 20, the Department will automatically exit the Student from the program on July 1. Unspent funds are returned to the Treasurer's Office and the ESA account is closed. Should this occur, the applicant will be required to reapply as a new account holder if they wish to return to the ESA Program (Reapplying does not guarantee continued eligibility).

7.1 Eligibility for Renewal

The following is required to remain eligible for renewing an ESA contract:

- Submitted all quarterly expense reports;
- Spent a portion of the Student's annual ESA Award;
- Any disallowed expenses were repaid; and
- Complied with terms and conditions of the contract.

7.2 Returning Renewal Contracts

Contracts may be emailed to esa@azed.gov or mailed or delivered to the Department of Education at:

Arizona Department of Education
Attn: ESA
1535 W. Jefferson St. Bin# 41
Phoenix, AZ 85007

Chapter 8: Removal Process

Pursuant to A.R.S. § 15-2403(C), the Department may remove any applicant or qualified student from the ESA program if the applicant or qualified student fails to comply with the terms of the contract, state law, policies or procedures or misuses ESA funds.

Violation results in the following:

- Suspension letter stating violation(s) and 10 days to contact ESA and account is suspended
- Hold of quarterly disbursements until repayment is complete
- Termination letter if no contact is made to ESA within 10 days of the suspension letter

Refusal or failure to contact and comply with the Department will result in termination from the program.

- If the account holder wishes to appeal the termination, they can submit an Appeal Letter within 30 days of the date specified on the termination letter.
- If the account holder is not heard from within the allotted time, the account is closed, and any misspent funds or unaccounted funds are sent to the Attorney General's Office of Collections.
- The account holder and student are not eligible to re-apply to the ESA program in the future.

8.1 Appeal Process

Upon receipt of the termination letter or, beginning August 9, 2017, a notification of a disallowed expense, the account holder has the right to appeal. This process is outlined in the termination letter or disallowed expense notification. To appeal a termination or disallowed expense:

- Provide written notice of appeal to the Department within 30 days of the date specified on the termination or disallowed expense letter. This notice includes:
 - a. Account holder's name (as written on ESA contract)
 - b. Current address (city, state, zip code)
 - c. Contact information (email and phone number)
 - d. A clear statement of reason for appeal
- Upon receipt of an appeal letter, the Department contacts the Applicant to explain the next steps.
- The Department receives a Notice of Appeal and Request for Hearing notice.
 - If the Department does not receive notice within the 30 days, the termination decision is final.
- The ESA account remains suspended during the appeals process; account holder does not have access to account.
- The Department will schedule a hearing at the Office of Administrative Hearings. A judge provides a recommended decision to the Superintendent of Public Instruction, who will accept, reject, or modify the decision.

Documented proof is required by the applicant and shall be brought to the hearing.

The applicant can also request an informal settlement conference, pursuant to A.R.S. § 41-1092.06, by submitting a written request to the Department, no later than 20 days before a scheduled hearing. Note that documented proof is required from the applicant.

8.2 Reasons Applicants Are Terminated

Below are common reasons that account holders are terminated from the ESA program (this is not an inclusive list of all possibilities):

1. Enrolling in and attending a public, charter, or public online school;
2. Attending summer school at a public, charter, or public online school and not paying tuition;
3. Receiving School Tuition Organization (STO) scholarships or tax credit scholarships concurrently with ESA funds;
4. Misspending funds;
5. Fraudulent activity or providing false information (application, contract, bank form, etc.);
6. Failure to submit an expense report within 90 days of due date; or
7. Not submitting required documents by set deadline.

8.2.1 Attending a Public or Charter School

Participating ESA students cannot enroll in any public school, charter school, or online public school, as stated in the ESA contract: “pursuant to A.R.S § 15-2402(B)(2), during the Term, Holder will not enroll student in a public school. Enrollment of the Student in a public school during the Term constitutes a violation of this Contract and will result in immediate termination of this Contract.”

This includes summer school. Note that all charter schools, including online charter schools like Primavera, are funded by the state and are considered public schools.

8.2.2 Receiving an STO or Tax Credit Scholarships

Participating ESA students cannot receive any STOs or tax credit scholarships at the same time as receiving ESA funds.

If the ESA funds do not cover the full cost of private school and it is uncertain how the remaining costs are paid, contact the private school to confirm the student is not receiving an STO or tax credit scholarship.

As written in the ESA contract, “pursuant to A.R.S § 15-2402(B)(3), during the Term, Holder agrees not to accept a scholarship grant for Student from a School Tuition Organization (STO). Acceptance of a scholarship grant for Student from an STO during the Term constitutes a violation of this Contract and will result in immediate termination of this Contract.”

Chapter 9: Exiting the ESA Program

A student may exit the ESA program in the following ways:

1. **Voluntary withdrawal:** Applicant chooses not to participate in the program and submits a Close Account Request Form.
2. **Non-renewal:** Applicant chooses not to renew the following year's ESA contract.
3. **Completing the Program:** Student exits the program once reaches the age of 18 or 12th grade, whichever comes first, if the Student is not Attested (see [Section 9.3](#)).
4. **Removal:** ESA terminates Applicant from ESA program (see [Section 8.0](#)).

9.1 Voluntary Withdrawal

An account holder may remove their child any time during the contract year from the ESA program. To remove a student from the ESA program, the Department requires written notice in the form of a Close Account Request Form that can be located at www.azed.gov/esa/esa-forms/.

Upon receipt of the Close Account Request Form, the Department reviews the student's account to ensure all outstanding documentation has been submitted and completes a thorough review all account activity. Should this review result in any questions, disallowed expenses or any required repayment of ESA funds, the Department will formally notify the account holder in writing.

Once the Department is satisfied the account is in good standing the Close Account Request will be finalized, releasing the account holder from the ESA contract and the student may return to public school. The Department returns any remaining funds to the Treasurer's Office. The student and applicant remain eligible to reapply in the future.

9.2 Non-Renewal

Applicants may choose not to renew their annual ESA contract. Non-renewal of an ESA contract is not considered termination. The student and applicant remain eligible to reapply in the future.

On July 1, those who did not return a contract packet will have their ESA bank card closed and any unused funds will be swept. If repayment of funds is necessary, the account holder will be notified in writing.

Applicants may reapply the following year, but funds previously rolled-over are not to be reinstated.

9.3 Completing the ESA Program & Attestation

When a student enters the ESA program, the student is moved in a cohort year. This means if the student enters the ESA program in 3rd grade, the following year the student moves into 4th grade for funding purposes, even if the Private School or Applicant decides to keep the student back a year. The student progresses one grade every year until reaching the 12th grade or the age of 18. All students are exited at the age of 18 or upon completion of their 12th grade cohort year, whichever comes first, unless the student is attested.

Beginning August 9, 2017, Arizona Revised Statute §15-2402(H) allows Qualified Students attending a Qualified School to remain in the program until 22 years of age upon providing an annual attestation beginning in the Student's 12th grade cohort year or at the age of 18. Qualified Students identified with a disability pursuant to subsection §15-2401(7)(a)(i), (ii), or (iii) and spending a minimum of 50% of their ESA funds annually on Qualified Expenses, but not attending a Qualified School may remain in the program until 22 years of age upon providing an annual Attestation beginning in the Student's 12th grade cohort year or at the age of 18. In addition to Attestation, other criteria for eligibility are:

- Account holder is in good standing with the ESA program and has submitted all required expense reports;
- Account holder has not engaged in any misspending of ESA funds;
- Student has not or will not reach the age of 22 prior to July 1 of the next contract year; and
- Student has not graduated (i.e., received a high school diploma, GED or High School Equivalency diploma).

During the 4th quarter, the Department emails each applicant with a 12th grade cohort to inform them their student will exit the program and provide the date in which any leftover funds are removed from their account. Once exited from the program, the account holder has four years to use any remaining funds:

- Funds must still be used for the purpose of educating their child.
- Expenses must still comply with [approved expenses](#), ESA policy and law.
- Expense reports must be submitted every quarter for the remaining four years.
 - Failure to submit an expense report within 90 days of the due date results in termination from the program, which results in a loss of any remaining funds.

After completing the ESA program and exiting 12th grade, students are not explicitly prohibited from returning to public school. However, each county superintendent receives an annual list of ESA participants and each school district may have specific policies prohibiting re-enrollment of an ESA student beyond the age of 18, if it is determined the student completed their high school graduation requirements through the ESA program. If a 12th grade student returns to public school at any time after the completion of ESA program, unused ESA funds are returned to the Treasurer's Office. If the Department determines funds need to be paid back, the account holder will receive written notification.
